Dear Parents/Guardians,

If you have a child who will be heading into kindergarten this coming September, here is some important information for you.

Registration period: Monday, January 28 – Friday, February 1.

All registration is done online here: [SD62 Registration https://registration.sd62.bc.ca/apps/SookeStudents](https://registration.sd62.bc.ca/apps/SookeStudents)

In the event there are more students than spaces available in kindergarten, student enrolment will be approved based on the following:

1. re-enrolling students
2. a catchment area child who has a sibling currently attending the school
3. a catchment area child
4. a non-catchment child who has a sibling currently attending the school
5. a non-catchment child
6. a non-school district child

These enrolment priorities apply to all new registrations and transfer requests.

NEW – Documentation requirements

The district has updated the documents required for registration. Please take a look at the SD62 [Registration Guide](#) for details on what types of documentation you will need to provide in order to register your child successfully.
