This week many of our students, staff, and families chose to wear orange to recognize the recent discovery by the Tk'mlúps te Secwépemc First Nation and the lasting impacts of Residential Schools. Our students have been participating in activities in their classrooms and as an entire school to learn more and better understand what Truth and Reconciliation means. This Tuesday, June 8th, we invite all students to wear orange as we close out our week of recognition.

2021-2022 School Supplies

Current Kindergarten, Grade 1, and Grade 2 families will have received an email regarding school supplies for next year. We are trialing bulk school supply purchasing for next year's Grade 1s, 2s, and 3s. School supply lists for students who will be in Kindergarten, Grade 4 or Grade 5 next year will be posted to our website by the end of the month.

iRide

We are fortunate that five classes will be able to participate in iRide next Tuesday,

Wednesday, and Thursday. A large portion of this program is paid by our PAC, along with some other cycling BC sponsors.

Thank-you to our entire parent community and our PAC Executive for continuing to support our school activities!

Year-End Assembly

We will be having our year-end assembly on Friday, June 25th at 1:15pm.

Unfortunately, we are unable to gather as a group, so we will be hosting this assembly virtually and sharing the link with families. Please watch for an email invite the Week of June 21st-25th.

Grade 5 Farewell and Recognition

The grade 5 teachers are busy planning their Farewell activities and will be communicating those plans to families in the near future.
