Upcoming Fundraising Program

At Pacific Mobile Depots, PMD provides one of the most complete plastics recycling service in Greater Victoria & Metro Vancouver. PMD currently runs 7 Greater Victoria mobile depot locations, and have since expanded with 4 more mobile depot locations in Metro Vancouver, allowing residents to bring in their sorted/ unsorted plastics to our depots for a small fee, subsequently generating much needed fundraising for the hosting non-profit communities.

PMD and Lakewood Elementary are working together to introduce mobile recycling for the Communities of Langford and the Highlands! What is accepted? What to Recycle? What are the Fees? Visit <http://pmdrecycling.com/fee-recycling/>

Recycling with Lakewood Elementary promotes:

- ▶ Community Recycling Awareness
- ▶ Recycling Partnership with Lakewood Elementary and 20% of All Proceeds Supporting the PAC
- ▶ Encourages our Eco-Warriors Code of Conduct

When: Every 2nd Saturday of the Month, Next Up JAN 9TH

Where: Lakewood Elementary Front Parking Lot

Time: 9am - Noon
