

March 2016

Dear Families:

Students at Lakewood will be participating in many school based literacy activities from March 7th to March 11th, 2016. As a way to enhance and bridge these school experiences, we encourage your families to become involved in some of the daily literacy activities described below. This is voluntary for students and their families.

When your family participates in one (or all!) of the daily activities, sign the corresponding ticket below, and have your child(ren) bring the ticket to school the next day. They can place their ticket in a box at the office to enter a daily draw for a prize.

Have fun!
