Dear Parents/Guardians,

Yesterday during our Gyro Park Beach Day, a situation took place that has worried many parents.

A parent reported to the Saanich Police and principal what they felt was a suspicious event in the public washroom. The police arrived, dealt with the event and spoke with both the parent and myself. In follow up, the police fully investigated the incident and found no wrongdoing.

As a safety precaution a staff member monitored the washroom for the duration of the day. Please note we have a protocol in place for students using public washrooms when on field trips.

The safety of our students is paramount to all members of our school community. Thank you for your continued support and diligence in keeping our students safe.

If you have further question please do not hesitate to contact me at 250-474-3449.

Sincerely,

A handwritten signature in black ink, appearing to read "Martha Gerow", with a long, sweeping flourish extending to the right.
