

Don't Miss Out!!!!

The 2015/16 edition of the Lakewood yearbook is almost complete. The yearbook consists of a collection of black and white individual photos, team photos and many pages of candid photos, as well as some student writing. It is a great way to remember the year! Orders **must** be in by **Friday, June 10th** to guarantee delivery before the end of the school year. The cost is \$8.00 per book. In keeping with Lakewood's drive to 'go green' orders will be taken online this year. Please go to <https://lakewood.hotlunches.net> to complete your order and submit payment online. Yearbooks will be delivered to students during the final week of school (or held till September if students are absent during the final week).
