Health and Safety Procedures

Thank-you to all the families who have sent their children with masks to school. Our Grade 4 and 5 students having quickly adapted to wearing masks inside at all times. Although masks are not required for students in K-3, they are recommended. We have noticed a significant increase in mask wearing in the younger classes. Thank-you to all the parents for physical distancing at pick-up/drop-off and for wearing masks when possible.

With the warm spring weather, many teachers have been taking their students outside for learning activities, as well as physical education activities. Please remember to send your child with proper outside gear.

Parking

We have limited parent parking spaces at Lakewood. There is only the small front parking lot for parents. Please only go into the lot if there is an open spot for your vehicle, otherwise please find an alternative parking spot.

When parking on our side streets, please make sure to not block bike lanes and pedestrian paths. Many of our students walk and bike to school, and when a car parks in the bike lane, particularly on Treanor, the students often have to walk out into traffic to get by the vehicle.

Reminder that if pulling into the bus lane, drivers are required to stay in their vehicle.

Learning Survey

The Learning Survey is a chance for you to give your input about our school. This is a provincial survey and we want to hear your feedback! This survey is open until April 30th. Please log-in the Parent Survey by using the District Access (no code required).

We look forward to receiving the valuable feedback from this survey.

Pizza Lunch

If you missed ordering pizza lunch this week, there's still time to order before next week. Click here to order <https://lakewood.hotlunches.net/admin/>

Bus Registration

For families interested in having their student riding the bus next year, please make sure you register for the bus ASAP.
