Treasurer Report

- On track for general account
- Gaming account - about \$8k off on what we wanted to spend. But, should be able to spend within \$2K of it.
- Revenue \$18K off from budget, but fun fair and art cart still to happen
- Bottle drive - \$695, better than the fall bottle drive
- Maybel's labels - got a cheque for \$54
- We had budgeted \$5K for special events. Right now, we have just over \$2300 from Halloween dance. So, we won't meet that 5K target if we don't have the second event.
